SUBPOENA

RULE 55

* * * * *

F(3) **Production without examination or deposition.** A party who issues a subpoena may command the person to whom it is issued[, *other than a hospital,*] to produce books, papers, documents, or tangible things**, other than individually identifiable health information as described in section H,** by mail or otherwise, at a time and place specified in the subpoena, without commanding inspection of the originals or a deposition. In such instances, the person to whom the subpoena is directed complies if the person produces copies of the specified items in the specified manner and certifies that the copies are true copies of all the items responsive to the subpoena or, if all items are not included, why they are not.
