SECTION 3. ORS 87.196 is amended to read:

87.196. (1)(a) A lien claimant that forecloses by sale a lien created under ORS 87.152 to 87.162 shall give notice of the foreclosure sale by first class, registered or certified mail. The following apply:

(A) The lien claimant shall give notice to all persons that have filed a financing statement in the office of the Secretary of State, or in the office of the appropriate county officer of the county in which the sale is held, to perfect a security interest in the chattel to be sold.

(B) Notwithstanding subparagraph (A) of this paragraph, if the chattel to be sold at the foreclosure sale is a chattel, other than part of the motor vehicle inventory of a dealer issued a vehicle dealer certificate under ORS 822.020, for which the Department of Transportation has issued a certificate of title under ORS 803.045, for which the State Marine Board requires a certificate of title under ORS 830.810 or for which the Oregon Department of Aviation requires a certificate of registration under ORS 837.040, the lien claimant needs to give notice only to persons that the certificate of title or certificate of registration indicates have a security interest or lien in the chattel.

(C) The lien claimant shall give notice under this paragraph at least 30 days before the foreclosure sale, but if the lien claimant claims a lien under ORS 87.152, the lien claimant shall give the notice required by this subsection:

(i) Not later than the 20th day after the date on which the storage charges begin;

(ii) Not later than the 30th day after the date on which the services provided are completed, if no storage charges are imposed; or

(iii) At least 15 days before the foreclosure sale if the lien is for the cost of removing, towing or storing a vehicle that a person who holds a certificate issued under ORS 819.480 has appraised at a value of \$1,000 or less.

(b) A lien claimant that gives notice of a foreclosure sale for chattel described in paragraph (a)(B) of this subsection shall include with the notice a copy of an invoice, work or repair order, authorization for towing, official form that authorizes a law enforcement agency to impound the chattel or any other record or document that is evidence of the basis for the lien.

(2) A person who is entitled to receive notice under subsection (1) of this section may discharge the lien and preserve the person's security interest in the chattel by paying the lien claimant the amount of the lien claim and reasonable expenses the [person] **lien claimant** actually incurs in foreclosing the lien claim. If the person does not discharge the lien before the day of the foreclosure sale, the foreclosure sale extinguishes the person's security interest in the chattel even if the person does not receive notice under subsection (1) of this section.

(3) If a lien claimant does not give notice in accordance with subsection (1) of this section to a person that claims a security interest or lien on the chattel sold at a foreclosure sale, the lien claimant is liable to the person for a sum equal to the fair market value of the chattel sold at the foreclosure sale or the amount due to the person under the security agreement or lien at the time of the foreclosure sale, whichever amount is less. The secured party or other lien claimant may recover the sum and reasonable attorney fees by an action at law.

130.315. (1) Whether or not the terms of a trust contain a spendthrift provision:

(a) During the lifetime of the settlor, the property of a revocable trust is subject to claims of the settlor's creditors.

(b) A creditor or assignee of the settlor of an irrevocable trust may reach the maximum amount that can be distributed to or for the settlor's benefit. If an irrevocable trust has more than one settlor, the amount the creditor or assignee of a particular settlor may reach may not exceed the settlor's interest in the portion of the trust attributable to that settlor's contribution.

(c) If a trust was revocable at the settlor's death, the property of the trust becomes subject to creditors' claims as provided in ORS 130.350 to 130.450 when the settlor dies. The payment of claims is subject to the settlor's right to direct the priority of the sources from which liabilities of the settlor are to be paid.

(d) Notwithstanding the provisions of paragraph (b) of this subsection, the assets of an irrevocable trust may not be subject to the claims of an existing or subsequent creditor or assignee of the settlor, in whole or in part, solely because of the existence of a discretionary power granted to the trustee by the terms of the trust or any other provision of law to pay the amount of tax owed directly to the taxing authorities or to reimburse the settlor for any tax on trust income or principal that is payable or has been paid by the settlor under the law imposing the tax.

(2) For the purpose of creditors' claims, the holder of a power of withdrawal is treated in the same manner as the settlor of a revocable trust to the extent property of the trust is subject to the power. The provisions of this subsection apply to the holder of a power of withdrawal only during the period that the power may be exercised.

(3) Upon the lapse, release or waiver of a power of withdrawal, the property of the trust that is the subject of the lapse, release or waiver becomes subject to claims of creditors of the holder of the power only to the extent the value of the property exceeds the [greater] **greatest** of:

(a) The amount specified in section 2041(b)(2) or 2514(e) of the Internal Revenue Code, as in effect on December 31, 2012;

(b) The amount specified in section 2503(b) of the Internal Revenue Code, as in effect on December 31, 2012; or

(c) Twice the amount specified in section 2503(b) of the Internal Revenue Code, as in effect on December 31, 2012, if the donor was married at the time of the transfer to which the power of withdrawal applies.

(4) The assets of an irrevocable trust that are attributable to a contribution to an inter vivos marital deduction trust described in section 2523(e) or (f) of the Internal Revenue Code, as in effect

on December 31, 2012, after the death of the spouse of the settlor of the inter vivos marital deduction trust shall be deemed to have been contributed by the settlor's spouse and not by the settlor.

(5) The assets of an irrevocable trust for the benefit of a person, including the settlor, are not subject to claims of creditors of the settlor to the extent that the property of the trust is subject to a presently exercisable general power of appointment held by a person other than the settlor.

(6) Subsections (2) and (3) of this section do not apply to a person other than a settlor who is a beneficiary of a revocable or irrevocable trust and who is also a trustee of the trust, if the power to withdraw for the person's own benefit is limited by an ascertainable standard.

(b) The amount required to restore the value of the trust property and trust distributions to what they would have been had the breach not occurred; or

(c) The profit the trustee made by reason of the breach.

(2) Except as otherwise provided in this subsection, if more than one trustee is liable to the beneficiaries for a breach of trust, a trustee is entitled to contribution from the other trustee or trustees. In determining the amount of contribution, the court shall consider the degree of fault of each trustee and whether any trustee or trustees acted in bad faith or with reckless indifference to the purposes of the trust or the interests of the beneficiaries. A trustee who received a benefit from the breach of trust is not entitled to contribution from another trustee to the extent of the benefit received.

In no event may this sum exceed the [lesser] **least** of:

If the forester then determines that the owner can comply with such obligation, the forester shall immediately issue to all other persons involved a written release of such obligations.

The following conditions apply to the requirement for such coverage:

(1) The applicant shall be informed of the applicant's option to request this coverage.

(2) The inclusion of the coverage may be made subject to the insurer's usual underwriting requirements.

(3) The coverage may be made subject to provisions of the policy that apply to other benefits under the policy, including but not limited to provisions relating to deductibles and coinsurance.

(4) The policy may limit hospital expense coverage to treatment provided by the following facilities:

(a) A health care facility licensed as required by ORS 441.015.

(b) A health care facility accredited by the Joint Commission [on *Accreditation of Hospitals*].

(5) Except as permitted by subsection (3) of this section, the policy [shall] **may** not limit payments thereunder for alcoholism to an amount less than \$4,500 in any 24-consecutive month period and the policy shall provide coverage, within the limits of this subsection, of not less than 80 percent of the hospital and medical expenses for treatment for alcoholism.

SECTION 57. ORS 743A.168, as amended by section 7, chapter 11, Oregon Laws 2016, is amended to read:

743A.168. A group health insurance policy providing coverage for hospital or medical expenses, other than limited benefit coverage, shall provide coverage for expenses arising from treatment for chemical dependency, including alcoholism, and for mental or nervous conditions at the same level as, and subject to limitations no more restrictive than, those imposed on coverage or reimbursement of expenses arising from treatment for other medical conditions. The following apply to coverage for chemical dependency and for mental or nervous conditions:

(1) As used in this section:

(a) "Chemical dependency" means the addictive relationship with any drug or alcohol characterized by a physical or psychological relationship, or both, that interferes on a recurring basis with the individual's social, psychological or physical adjustment to common problems. For purposes of this section, "chemical dependency" does not include addiction to, or dependency on, tobacco, tobacco products or foods.

(b) "Facility" means a corporate or governmental entity or other provider of services for the treatment of chemical dependency or for the treatment of mental or nervous conditions.

(c) "Group health insurer" means an insurer, a health maintenance organization or a health care service contractor.

(d) "Program" means a particular type or level of service that is organizationally distinct within a facility.

(e) "Provider" means a person that:

(A) Has met the credentialing requirement of a group health insurer, is otherwise eligible to receive reimbursement for coverage under the policy and is:

(i) A health facility as defined in ORS 430.010;

(ii) A residential facility as defined in ORS 430.010;

(iii) A day or partial hospitalization program as defined in ORS 430.010;

(iv) An outpatient service as defined in ORS 430.010; or

(v) An individual behavioral health or medical professional licensed or certified under Oregon law; or

(B) Is a provider organization certified by the Oregon Health Authority under subsection (13) of this section.

(2) The coverage may be made subject to provisions of the policy that apply to other benefits under the policy, including but not limited to provisions relating to deductibles and coinsurance. Deductibles and coinsurance for treatment in health facilities or residential facilities may not be greater than those under the policy for expenses of hospitalization in the treatment of other medical conditions. Deductibles and coinsurance for outpatient treatment may not be greater than those under the policy for expenses of outpatient treatment of other medical conditions.

(3) The coverage may not be made subject to treatment limitations, limits on total payments for treatment, limits on duration of treatment or financial requirements unless similar limitations or requirements are imposed on coverage of other medical conditions. The coverage of eligible expenses may be limited to treatment that is medically necessary as determined under the policy for other medical conditions.

(4)(a) Nothing in this section requires coverage for:

(A) Educational or correctional services or sheltered living provided by a school or halfway house;

(B) A long-term residential mental health program that lasts longer than 45 days;

(C) Psychoanalysis or psychotherapy received as part of an educational or training program, regardless of diagnosis or symptoms that may be present; or

(D) A court-ordered sex offender treatment program.

(b) Notwithstanding paragraph (a)(A) of this subsection, an insured may receive covered outpatient services under the terms of the insured's policy while the insured is living temporarily in a sheltered living situation.

- (5) A provider is eligible for reimbursement under this section if:
- (a) The provider is approved or certified by the Oregon Health Authority;
 - (b) The provider is accredited for the particular level of care for which reimbursement is being requested by the Joint Commission [*on Accreditation of Hospitals*] or the Commission on Accreditation of Rehabilitation Facilities;
 - (c) The patient is staying overnight at the facility and is involved in a structured program at least eight hours per day, five days per week; or
 - (d) The provider is providing a covered benefit under the policy.
- (6) Payments may not be made under this section for support groups.
- (7) If specified in the policy, outpatient coverage may include follow-up in-home service or outpatient services. The policy may limit coverage for in-home service to persons who are homebound under the care of a physician.
- (8) Nothing in this section prohibits a group health insurer from managing the provision of benefits through common methods, including but not limited to selectively contracted panels, health plan benefit differential designs, preadmission screening, prior authorization of services, utilization review or other mechanisms designed to limit eligible expenses to those described in subsection (3) of this section.
- (9) The Legislative Assembly has found that health care cost containment is necessary and intends to encourage insurance policies designed to achieve cost containment by ensuring that reimbursement is limited to appropriate utilization under criteria incorporated into such policies, either directly or by reference.
- (10)(a) Subject to the patient or client confidentiality provisions of ORS 40.235 relating to physicians, ORS 40.240 relating to nurse practitioners, ORS 40.230 relating to psychologists, ORS 40.250 and 675.580 relating to licensed clinical social workers and ORS 40.262 relating to licensed professional counselors and licensed marriage and family therapists, a group health insurer may provide for review for level of treatment of admissions and continued stays for treatment in health facilities, residential facilities, day or partial hospitalization programs and outpatient services by either group health insurer staff or personnel under contract to the group health insurer, or by a utilization review contractor, who shall have the authority to certify for or deny level of payment.
- (b) Review shall be made according to criteria made available to providers in advance upon request.
- (c) Review shall be performed by or under the direction of a medical or osteopathic physician licensed by the Oregon Medical Board, a psychologist licensed by the State Board of Psychologist Examiners, a clinical social worker licensed by the State Board of Licensed Social Workers or a professional counselor or marriage and family therapist licensed by the Oregon Board of Licensed Professional Counselors and Therapists, in accordance with standards of the National Committee for Quality Assurance or Medicare review standards of the Centers for Medicare and Medicaid Services.
- (d) Review may involve prior approval, concurrent review of the continuation of treatment, post-treatment review or any combination of these. However, if prior approval is required, provision shall be made to allow for payment of urgent or emergency admissions, subject to subsequent review. If prior approval is not required, group health insurers shall permit providers, policyholders or persons acting on their behalf to make advance inquiries regarding the appropriateness of a particular admission to a treatment program. Group health insurers shall provide a timely response to such inquiries. Noncontracting providers must cooperate with these procedures to the same extent as contracting providers to be eligible for reimbursement.
- (11) Health maintenance organizations may limit the receipt of covered services by enrollees to services provided by or upon referral by providers contracting with the health maintenance organization. Health maintenance organizations and health care service contractors may create substantive plan benefit and reimbursement differentials at the same level as, and subject to limitations no more restrictive than, those imposed on coverage or reimbursement of expenses arising out of other medical conditions and apply them to contracting and noncontracting providers.

(12) Nothing in this section prevents a group health insurer from contracting with providers of health care services to furnish services to policyholders or certificate holders according to ORS 743B.460 or 750.005, subject to the following conditions:

(a) A group health insurer is not required to contract with all providers that are eligible for reimbursement under this section.

(b) An insurer or health care service contractor shall, subject to subsections (2) and (3) of this section, pay benefits toward the covered charges of noncontracting providers of services for the treatment of chemical dependency or mental or nervous conditions. The insured shall, subject to subsections (2) and (3) of this section, have the right to use the services of a noncontracting provider of services for the treatment of chemical dependency or mental or nervous conditions, whether or not the services for chemical dependency or mental or nervous conditions are provided by contracting or noncontracting providers.

(13) The Oregon Health Authority shall establish a process for the certification of an organization described in subsection (1)(e)(B) of this section that:

(a) Is not otherwise subject to licensing or certification by the authority; and

(b) Does not contract with the authority, a subcontractor of the authority or a community mental health program.

(14) The Oregon Health Authority shall adopt by rule standards for the certification provided under subsection (13) of this section to ensure that a certified provider organization offers a distinct and specialized program for the treatment of mental or nervous conditions.

(15) The Oregon Health Authority may adopt by rule an application fee or a certification fee, or both, to be imposed on any provider organization that applies for certification under subsection (13) of this section. Any fees collected shall be paid into the Oregon Health Authority Fund established in ORS 413.101 and shall be used only for carrying out the provisions of subsection (13) of this section.

(16) The intent of the Legislative Assembly in adopting this section is to reserve benefits for different types of care to encourage cost effective care and to ensure continuing access to levels of care most appropriate for the insured's condition and progress. This section does not prohibit an insurer from requiring a provider organization certified by the Oregon Health Authority under subsection (13) of this section to meet the insurer's credentialing requirements as a condition of entering into a contract.

(17) The Director of the Department of Consumer and Business Services and the Oregon Health Authority, after notice and hearing, may adopt reasonable rules not inconsistent with this section that are considered necessary for the proper administration of this section.
